Engineered Wood Line

Estate Cherry

CE-5001

- Cherry finish
- Rosetan crepe interior
- Brass handles

a The impeccable finish reproduces the perfection of natural wood grain while offering superior durability.

b The bottom ensures the prevention of leaks and provides a weight capacity of up to 227 kg (500 lbs).

c The full length cradle-style bed provides sturdiness and stability.

d The half cover is lightweight without compromising its rigidity.

e The plastic lifting mechanism ensures quiet and easy functioning.

A family tradition

At Magog Caskets, the know-how, expertise in metallurgy, and devotion to perfection have been passed-on from generation to generation since 1953. Thanks to the loyalty and support of its clients and distributors, this local independent enterprise has established a reputation for dependability throughout Quebec and Canada.

Focusing on service

Like its products, the team at Magog Caskets is synonymous with dependability and solidity. Its mission is to offer you the best in personalized service to meet your needs in a timely fashion.
